Dear Friend,

**I get letters from kids who come to camp on scholarship.** But really, they are notes for the people who donated to the scholarship fund. The campers don't know who donated, so they send them to me.

They talk about the fun they had, the friends they made, the horse they rode and what they learned about Jesus. And they all say "thank-you for the scholarship."

**Here is one I received from a 12-year old girl named Claire:**

**Claire is one of 91 campers who received scholarship assistance last summer, totaling more than \$46,500.**

Some of those campers, like Claire, come from single parent homes. In her application, *Claire's Mom* wrote, "My daughter loves horses and animals...so I know this camp would be a perfect environment for her to get to know others with the same interests as her...and for her to grow in her relationship with God."

**Mom said she could afford to pay \$200 toward the cost of camp.** The donors to the scholarship fund supplied the remaining \$525, allowing Claire to enjoy a week of faith, farm and fun.

Would you consider adding one more fit to your list this Christmas and make a tax-deductible donation to the Summer Camp Scholarship Fund?

***Claire & Freedom***

- A gift of **\$35 will provide a horse to a scholarship camper for the week**
- You can **feed a camper for the week** with a donation of **\$63**
- **With a contribution of \$113 you will cover the cost of one day of camp for a young girl or boy**
- We ask all scholarship families to pay at least \$150 for a week of camp, so a **gift of \$530 would make it possible for one camper to attend our *Original Horse Camp***

A donation of any amount will help make a difference for so many kids next summer! To make a secure online donation, click on the Donate button below.
