

Note from Wrangler Matt

October 31, 2022

Dear Friends,

One of the great parts of summer camp for me is watching campers grow and change over several years. Every summer I see returning campers. Some come for as many as ten years.

I think I know why they keep coming back, but this past summer I asked returning campers to write down the main reasons they come back. Here are some of their responses.

"I love getting away from home to ride horses and have fun for a week without my siblings."

"Taking a break from electronics."

"It helps me take a leap into faith and grow in Christ while having fun."

"The friendships I always make."

"The counselors are really caring."

"It brings us closer to animals, people, and Christ."

"It feels like my second home."

"It's a unique camp that combines Jesus and horses."

Kids are having fun, making friends, feeling loved & cared for, and getting to know and grow in Jesus. That's why we're here.

It's encouraging to me to know we are fulfilling the mission God has called us to. Please join me in praying that the Lord will continue to give us the opportunity to impact the lives of boys and girls for generations to come.

In His Service,

A handwritten signature in blue ink that reads "Wrangler Matt".
