

Dear \_\_\_\_\_,

I will be horseback riding in the annual Marmon Valley Ministries *Ride Through the Valley* fundraiser on September 20, 2020. We're riding to raise funds to help kids attend camp.

Marmon Valley summer camps combine horsemanship, farm fun, Bible studies, and other great activities to give kids an unforgettable camp experience. While at camp, kids can learn about God's compassion, Jesus' love, and how they can be more like Jesus.

**THE GOAL:** Raise money to help kids from economically challenged families attend summer camp! Our goal is to provide scholarships for at least 50 campers next summer, about \$20,000.

**THE METHOD:** I'll do the riding...I just need you to sponsor me. I'm putting in at least \$25 of my own money because I really believe this is worth it. Can I count on your help?
